ART EXHIBITION

Dates: September 23 - October 25, 1991
Reception: Sunday September 22, 1991, 1-3 p.m.
Gallery Hours: Monday - Friday, 12-5 p.m.

Martin Lubner	Lorraine Lubner
John Canavier	Cynthia Carr Canavier
Christopher R. Mooradian	Edie Danieli-Ellis

The Jose' Drudis-Biada Gallery is pleased to present an exhibition of six southern California artists under the title of "SHE SAID HE SAID HE SAID SHE SAID." These six artists divide into three couples. Although creating art is one of the most individual of acts, the continuous dialogue of being two instead of one creates a different arena of making art. None of the art in this exhibition resembles any other artist's work. Yet, she must have said and he must have said many comments behind the scenes which have added to the making of their other half's art.

ATTENTION FUTURE TEACHERS

The Music Department is sponsoring this workshop entitled: "Music Making for the Classroom Teacher: New Materials, New Approaches" on Saturday, October 5, 1991 from 9 a.m. to 12 noon. This workshop will feature two specialists:

Amanda Pittman formerly of the Beverly Hills School District, and Stephen Hensley, President of the California Music Educators Association, Southern Section and also of the Irvine Unified School District. Both presenters are excellent and experienced teachers and they will concentrate on presentations helpful to the classroom teacher rather than the music specialist. There will also be exhibits and helpful handouts at this workshop. Pre-registration fee is only \$10, and registration at the door is \$15.

CONCERT

On Monday, October 7 at Noon in the Rumpus Room the Music Department is presenting the renowned clarinetist, Mr. John Russo, in a Lecture-Master Class on Woodwinds and Chamber Music with Woodwinds. *****JUST A REMINDER*****

STUDENT BULLETIN SUBMISSIONS

Submissions for the Student Bulletin must be received in the Student Development Office, H200, by noon on Monday.

WILDLIFE ALERT

A reminder from Michael Murphy to please use caution when walking in the areas surrounding the campus. Due to the dry weather, the various wildlife that inhabit the mount area have been seen very close to campus so please watch where you walk.

TRAFFIC POLICY

As we begin a new school year, it's terribly important that we all be reminded of our agreement with the Brentwood community to minimize the impact of increased traffic flow in the neighborhood.

WHEN COMING UP THE HILL, TAKE THE NORMAN PLACE ROUTE TO THE COLLEGE OR CARONDELET; GOING DOWN THE HILL, TAKE BUNDY TO SUNSET.

It is critical to our community relations effort that we abide by this agreed-upon plan. Please remember that speed limit in the area is 25 mph, and that many area residents are walking their dogs or jogging during the hours we are heading to/from campus. We have received some complaints in the last few days from the local Neighborhood Watch and need to be as sensitive as possible to their concerns. Thank you for your cooperation. If you have any questions about this aspect of our community relations policy, please feel free to call Nancy Taylor at (213) 471-9537.

TO: MSMC Chalon Community
FROM: Nancy Taylor, Director of Public Relations
RE: Filming on campus
DATE: November 15, 1991

=====

We have negotiated for an episode of the T.V. series "In the Heat of the Night" to be shot on Chalon on Thursday December 12.

FACTS ABOUT FILMING

- The crew will be arriving at 6:00 am. Filming should wrap by 6:00 pm 12/12.
- The circle will be closed from Wednesday evening until Friday morning. During actual filming access to the circle may be limited and/or delayed.
- Handicapped parking will be behind the Chapel.
- The Library main floor will be used for filming. Access to this room will be limited during actual filming. There will be access when filming is not occurring.
- The Visitors dining room, Brady will also be used for filming. Access to this area will be denied during shooting periods.

Auxiliary Areas of Campus that will be affected:

- There will be approximately 100 crew members, stars and extras who may park their cars on the top level of the parking structure. MSMC employees and students will need to park on lower levels.
- Trucks needed to support the filming will be parked in the parking lot next to the maintenance department and behind the Chapel. MSMC personnel who normally park in this area will need to use other areas for the day.
- A catering truck may park behind the Brady dining room area in the afternoon.
- The filming company will provide their own food and restrooms.

Whenever filming takes place on campus there are always disruptions and inconveniences that cannot be avoided or even anticipated. Although the inconvenience can be annoying, it is important to keep in mind that the income generated benefits us all.

PLUS-MINUS GRADING SYSTEM

In response to student concerns about the impact of the plus-minus grading system, the following proposal was adopted by the faculty:

Because students were not informed of the decision to change the grading system before the beginning of the semester, and therefore had insufficient time to adjust their course schedules and outside commitments, the Academic Policy Committee recommends a compromise measure for the 1991-92 year only.

The compromise measure will apply to the computation of honors for 1992 graduates on the one hand, and for probation calculation for all students on the other. GPA for the above categories will be calculated without plus and minus variations. For example, a student receiving grades of "C-" would not be placed on probation this year, since all "C" grades will be computed at 2.0. Similarly, a grade of "A-" would not adversely affect any honors recognition (Honors, Dean's List, President's Scholars) for 1992 graduating students.

FLASH: CHRISTMAS PARTY!

The California Nursing Student Association (CNSA) is sponsoring a Christmas party on Friday, December 6, in the Campus Center from 7 o'clock pm to 12 midnight. MSMC nursing students are free. Non-MSMC nursing students and guests are \$2 each. Everyone is invited to come party with us before finals!

Senior political science major Elizabeth King is a Truman Scholar selected during the 1989-1990 year.

GREAT GIFT SALE!!!

The Athletic Department is having a "Great Gift" sale throughout finals week for your last minute shopping convenience. SCHOLARSHIPS

Applications for the following scholarship may be picked up in the Financial Aid Office:

U.S. Public Health Service Student Programs

Many scholarships and loan repayment programs are available for undergraduate and graduate nursing and physical therapy students. Various deadlines.

Frances Hook Art Scholarships

From \$500 to \$2500 available; must be under age 24. Deadline: March 1, 1992. Open to all majors.

NOTICE FROM THE BUSINESS OFFICE

All outstanding debts, including past-due penalties, must be paid before December 16, (prior to exams). This includes tuition, fees, loans, parking fines, bounced checks and library fines. Failure to make these payments is considered sufficient cause to withhold diploma, scholastic certificate, or transcript of record, and/or suspend the student. Thank you.

CONTEST! CONTEST! CONTEST!

EREVNA, the Mount annual research journal is looking for a new cover design with a scientific theme (the design may be abstract). There is a \$25.00 prize for the winner! A committee of research students and faculty will choose the winner. The deadline for the design is Feb. 1, 1992. Please turn in your design to Assistant Editors Claudia Alfaro (box 255, tel.: 471-5292) or Jenny Chen (box 383, tel.: 471-4927)

PLUS-MINUS GRADING SYSTEM

In response to student concerns about the impact of the plus-minus grading system, the following proposal was adopted by the faculty:

Because students were not informed of the decision to change the grading system before the beginning of the semester, and therefore had insufficient time to adjust their course schedules and outside commitments, the Academic Policy Committee recommends a compromise measure for the 1991-92 year only.

The compromise measure will apply to the computation of honors for 1992 graduates on the one hand, and for probation calculation for all students on the other. GPA for the above categories will be calculated without plus and minus variations. For example, a student receiving grades of "C-" would not be placed on probation this year, since all "C" grades will be computed at 2.0. Similarly, a grade of "A-" would not adversely affect any honors recognition (Honors, Dean's List, President's Scholars) for 1992 graduating students.

HAPPY HOLIDAYS

MERRY CHRISTMAS

HAPPY NEW YEAR

GOOD LUCK ON FINALS!!!

Please remember to be careful when walking or jogging around campus and in the surrounding neighborhood. For your own personal safety, when walking or jogging alone or with friends, stay to the side of the road, no more than two abreast. Always walk towards on-coming traffic and observe the rules of the road. Following these safety tips is an important part of healthy walking habits.

NEW RELEASES

WHAT IS SIENA DAY? - February 26, 1992

This annual celebration is a Mount tradition initiated by Sister Magdalen Coughlin, former president and current chancellor of the College.

"Catherine of Siena (1347-1380) lived deeply and fully in a time not unlike our own. She engaged in issues with fearlessness, candor, intelligence, and a deep commitment to God," Coughlin explains. "Our 'Siena Day' each spring is intended to highlight the importance of developing and using one's potential to contribute positively to one's own time--and to all time."

This year's all-campus Siena Day convocation is on Wednesday, February 26! The Doheny campus will host a celebration of Native American history and culture. **CLASSES ARE CANCELLED AT CHALON FROM 11:50AM - 4:00PM, DOHENY FROM 1:50AM - 2:50PM.** Shuttles will leave Chalon at 11:00 and 12:00; for information on signing up for a special bus which will take Chalon students to Doheny and back again, contact Student Development, X9507.

Picnic lunches will be served on the Dohney Lawn starting at 11:30am. At that time, a group of Native Americans will perform ceremonial dances. The Siena Day presentation begins at 1:00pm in the Lecture Hall and features Father Paul Ojibway, Chaplain, Native American Indian Ministry, The Archdiocese of Los Angeles.

DON'T MISS THE ONE-AND-ONLY ALL-CAMPUS CONVOCATION OF THE SPRING SEMESTER!

ALCOHOL AWARENESS WEEK--FEBRUARY 18-22, 1992

The Alcohol and Substance Abuse Program Committee (ASAP), Athletics, and the Associated Student Body would like to invite you to participate in Alcohol Awareness Week. This year the focus of the week is drinking and driving. Please join us in a number of events designed to heighten awareness and educate the MSMC community about the toll that drinking and driving takes on human lives.

MUSIC NEWS

The Music Department will be visited by an accreditation team from the National Association of Schools of Music on Monday and Tuesday, February 24 and 25. Sister Laurette Bellamy, Ph.D., Chairperson of the Music Department at St. Mary of the Woods College in Indiana is Chairperson of the team, and Sister Mary Hueller, Ph.D., Coordinator of the Music Department, Alverno College in Milwaukee, Wisconsin, is team member. We invite you to help us welcome our visitors.

FALL SCHEDULING CHANGES

Students will be pleased to learn that the faculty, in scheduling courses, have made a special effort to leave times available for student meetings and activities next year. Specifically, the T/Th slot from 11:10am to 12:10pm will be available in addition to Friday afternoons after 2:50pm. We have also avoided the scheduling of classes normally taken by freshmen during the 11:30am to 12:30pm time period on MWF in order to schedule the Orientation Class during that time. We hope these efforts will assist students in planning their activities and allow for wider participation in campus life.

CAMPUS MINISTRY!!

Just a reminder . . . Campus Ministry is still collecting clothes, toiletries, and non-perishable food for the St. Joseph's Center in Venice. Your continued generosity is truly appreciated by the staff of the center and the people they serve. Please bring your donations to the Campus Ministry office on 1st floor Humanities or call the office (X3270) to arrange for a pick-up of items.

PLEASE NOTE:

- * Sunday mass is back in Mary's Chapel at 7:30pm (Please disregard other notices.)
- * Choir practice is held in Mary's Chapel on Thursday evenings at 7:30pm. Everyone is welcome.
- * Bible sharing has moved this semester to the Campus Ministry Office on 1st floor Humanities. Please join us on Thursdays at 7:30pm.

ATTENTION ALL MOUNT STUDENTS

The Admissions Office is looking for dedicated, outgoing individuals to be admissions interns. The Internship Program provides the student intern with an opportunity to take a responsible role in the daily procedures of the Admissions Office under the guidance of a counselor. Applications may be picked up in the 4th floor Admissions Office and are due on March 6 by 4:30pm. For more information contact Lissa Staples at (310) 471-9516.

GRADUATION WITH HONORS

Seniors who graduate with a 3.5 or better cum gpa will be eligible for membership in two graduate honor societies, Delta Epsilon Sigma and Kappa Gamma Pi. For Deltas, faculty nominate students, and a Delta faculty committee makes the final selection. Students are then notified about their initiation and membership. For Kappas, seniors graduating with honors are sent an invitation to submit their activities while at the college; these names are then circulated to members of the faculty and the graduating class for endorsement. A committee of faculty and administrative staff uses the endorsements to select the Kappas for membership. Initiations are held on or near Mary's Day; public recognition is given at the awards convocation on Mary's Day. Both sororities are honorary and bestow lifelong privileges. We congratulate all who are graduating, especially those with honors.

TUTORING AVAILABLE

Students who need assistance with a course and who are not eligible for Students Support Services (ISAE) tutors, should see Sister Margaret Anne in H410 (x3438) as soon as possible. Sister will try to match you with someone who has been a successful member of the class, recommended by faculty. There will be no charge to the student for this tutorial student service. Students who have received top grades in a course may see Sister Margaret Anne to be put on the tutor list. You will be paid for your tutoring.

The fee, which includes the portrait and a copy of the yearbook mailed to your home, is only \$30. (That's \$10 LESS than the books cost last year!) **YOU DON'T HAVE TO PAY AT THE TIME YOUR PICTURE IS TAKEN -- YOU WILL BE BILLED LATER.**

And speaking of the yearbook...we need students to select pictures, design and layout pages, and write photo captions. If you're interested, contact the faculty adviser, Lucy Lee, at x9529. This is your chance to contribute to your MSMC book of memories.

MARY'S DAY - MAY 2, 1992

Students will assist with decorations, publicity and liturgy planning. Applications for committees are now available in the Student Development Office (H200) and are due by Friday, February 28.

PROCEED WITH CAUTION

Please remember to be careful when walking or jogging around campus and in the surrounding neighborhood. For your own personal safety, when walking or jogging alone or with friends, stay to the side of the road, no more than two abreast. During the day, wearing brightly colored clothing will make you more visible. If it is necessary for you to walk at night, carry a flashlight and wear reflective clothing. Always walk towards on-coming traffic and observe the rules of the road. Following these safety tips is an important part of healthy walking habits.

WHAT IS SIENA DAY? - February 26, 1992

This annual celebration is a Mount tradition initiated by Sister Magdalen Coughlin, former president and current chancellor of the College.

"Catherine of Siena (1347-1380) lived deeply and fully in a time not unlike our own. She engaged in issues with fearlessness, candor, intelligence, and a deep commitment to God," Coughlin explains. "Our 'Siena Day' each spring is intended to highlight the importance of developing and using one's potential to contribute positively to one's own time--and to all time."

This year's all-campus Siena Day convocation is on Wednesday, February 26! The Doheny campus will host a celebration of Native American history and culture. **CLASSES ARE CANCELLED AT CHALON FROM 11:50AM - 4:00PM, DOHENY FROM 1:50AM - 2:00PM.** Shuttles will leave Chalon at 11:00 and 12:00; for information on signing up for a special bus which will take Chalon students to Doheny and back again, contact Student Development, X9507.

Students who have received top grades in a course may see Sister Margaret Anne to be put on the tutor list. You will be paid for your tutoring.

GRADUATION WITH HONORS

Seniors who graduate with a 3.5 or better cumulative GPA will be eligible for membership in two graduate honor societies, Delta Epsilon Sigma and Kappa Gamma Pi. Admissions into Delta's is determined initially by faculty nomination, with final selection determined by a Delta faculty committee. Students are then notified about their initiation and membership. For Kappas, seniors graduating with honors are sent an invitation to submit their activities during college; these names are then circulated to members of the faculty and the graduating class for endorsement. A committee of faculty and administrative staff uses the endorsements to select the Kappas for membership. Initiations are held on or near Mary's Day; public recognition is given at the awards convocation on Mary's Day. Both sororities are honorary and bestow lifelong privileges. We congratulate all who are graduating, especially those with honors.

WASC UPDATE

You will be happy to know that the Mount's 1992 Self-Study was mailed to the WASC Office and the visiting team members on January 22. The self-study is impressive, the work of well over a hundred people in the Mount community--task forces, steering committee members, typists, copiers, readers, editors, proofreaders, and many in the cheering section who supported and encouraged. We can be very proud of our self-study!

Special congratulations and thanks go to the production crew who spent long hours in the last month of "desk-top publishing," putting the book together in readable and attractive form. Key to the enterprise was Cheryl Griffin, who borrowed time from her Controller's office to create the design and format of the book, and to oversee the production process.

AnnMarie Signey centered the activity, keeping production lines open and moving, making copies, collecting materials, and doing the mailing. Stephanie Cubba made available to us not only her computer and printer, but also her assistant, Susan Winston, to help with appendix design and to finish copying the sixty books. Binding was done in the communications office of Carondelet Center by Sr. Ruth Rodgers, CSJ. Many offices and supervisors lent their help and encouragement, and to all of these we say **WELL DONE AND THANK YOU!**

Several copies of the self-study are available for your review in the following places:

- On reserve in both campus libraries
- All department chairs
- Task force chairs and steering committee members
- Administrative Council and the chair of Trustees
- ASB offices on both campus

We encourage you to review all or parts of the study to learn what we--as a community--have said about ourselves. The WASC visitation will take place March 24 - 25. We will be receiving an agenda for the visit soon and will share it with you. Sr. Mary Williams, Chair, WASC Self-Study

ART GALLERY:

The Jose Drudis-Biada Art Gallery is having their Olga Seem Ten Year Survey (1981 - 1991) on March 2 - April 10, 1992. There will be a reception on Sunday, March 1, 1 - 3 p.m. ALL ARE WELCOME!!

TRAFFIC ADVISORY

Just a reminder of our agreement with our Brentwood neighbors regarding traffic flow to and from the College. When coming up the hill, take the Norman Place route to the College or Carondelet Center. When going down the hill take Bundy. It is critical to our community relation effort that we abide by the agreed-upon plan. Please remember that the speed limit in the area is 25 mph, and that many area residents are walking their dogs or jogging during the hours we are heading to/from campus. Thank you for your continued cooperation. If you have any questions about this policy, please call Nancy Taylor at 471-9537.

WELCOME

Health Services would like to welcome the new Counseling Director, Lucille Gechtman. As a graduate of UCLA with a Bachelor of Arts in sociology and a Master's degree in social work from USC, Ms. Gechtman started her career as a case worker with the Department of Social Services in Los Angeles County. Her next position was as a probation officer working with delinquent and abused juveniles. She has also worked at a half-way house for mentally disordered offenders and as the director of social work at a community mental health center. Ms. Gechtman has been a consultant for the counseling department of a local community college and currently works as a psychotherapist in private practice in Encino. She specializes in guided imagery which is a technique for patients to visualize their problems in symbolic form in order to accelerate psychotherapy. Ms. Gechtman views counseling as a "learning" process in which a client becomes more aware of her psychological processes and through this experience, is able to gain more control of her life. She is very happy to be here and feels that the Mount is a gentle and soothing environment.

CAMPUS MINISTRY NEWS:

An idea for Lent: Have you ever wanted to learn how to pray the rosary, or wanted to pray it with other people? A group of students will be meeting in the chapel at 3pm each Tuesday and Thursday of Lent to pray the rosary, and everyone is welcome. You don't need to know how to pray the rosary, or even to own one. You need only 15-20 minutes, and a desire to pray--the rest is easy!

Congratulations to Maria Salvatorre and Sharon Kirk, who were sent from Mount St. Mary's to celebrate the Rite of Election with Cardinal Mahony, Sunday, March 8. Maria, now called a "member of the elect", is in the final stages of Lenten preparation for the Easter Sacraments of Baptism, Confirmation and Eucharist. Sharon, who was baptized in the Episcopal tradition, is preparing to become a Catholic, to be confirmed and to celebrate Eucharist. Five Catholic students are currently in the final stages of preparation for the sacrament of Confirmation, which will complete their initiation into the Catholic Church. They are: Tina Esack, Mary K. Foo Sum, Cari Messer, Lorenza Triana and Karen Villanueva. The Sacraments of Baptism, Confirmation and the First Eucharist will be celebrated at Mount St. Mary's on April 26, the second Sunday of Easter, at the 7:30pm Mass. Everyone is welcome!

There will be no Sunday Mass on March 15 or March 22 because of Spring Break. Mass will resume on March 29.

We've been able to take another truckload of clothes and food to the St. Joseph Center in Venice, to help them in their work with the poor and the homeless on the Westside. Please donate whatever you can as the need is urgent. You can leave donations outside the Campus Ministry Office or in the vestibule of the Chapel, or call the Campus Ministry Office (X3270) to arrange for a pick-up of articles.

Bible-sharing continues on Thursday at 7:30pm in the Campus Ministry Office.

Space has been reserved for Mount students at the Religious Education Congress in Anaheim March 20-22. Contact Campus Ministry if you are planning to attend and need a place to stay! You'll need to pay for your own registration and food, and bring a sleeping bag. This is an opportunity to attend the Congress, share your experiences and get to know other Mount students.

Thanks to the following Mount students who volunteer Friday night at the St. Joseph Center, helping with clerical work and with childcare: Dawn Del Padre, Christy Creamer, Oralía Tenorio, Lorenza Triana, Marissa Cutaran, Liza De Leon, Anjanette Gaane, Karen Villanueva, Maria Salgado, And Dion King. Special thanks also to Amparo Austria of Computer Services, who has joined Mount students at St. Joseph's.

Campus Ministry invites all residents and commuters to visit the Upper Room. Located in the 1st floor Brady stairwell across from the Residence Desk, the Upper Room is a nice place to talk, to study or to just be alone. Campus Ministry information, books, pamphlets, greeting cards etc... are available for your use. Sr. Deanna O'Neill (Mount Student) and Gail Gresser (Director of Campus Ministry) are available two nights a week for counseling or just to talk. The Upper Room key is available at the Residence Desk during desk hours. Stop by and say "hello" to Sr. Deanna, Monday nights 7:30pm-9:00pm and Gail, Wed. nights 7:00pm-9:00pm. FROM THE OFFICE OF THE PRESIDENT...1992-1993 TUITION

The board of trustees has concluded its annual review of tuition and fees as part of the College budget. This is always a very difficult process involving sensitivity to student needs as well as responsibility for a balanced budget at the College. The increases being adopted for the coming academic year have been kept to the base minimum needed to ensure the educational quality of your program.

This tuition increase keeps us in the bottom fourth of California's independent colleges with respect to cost while national and regional ratings of educational quality place us at or toward the top! We are, as one national rating put it, a "little known gem," a real bargain for students seeking a liberal arts education of outstanding quality at a moderate price. Even so, we know that careful planning and assistance is necessary for all students who desire to attend our college.

Conscious of this need, and desiring to make it possible for every qualified student to attend regardless of the tuition increase, the College development effort has been directed this year toward building up our endowed scholarships and securing other funds to support increased financial aid. We invite and urge you to make early contact with our Financial Aid Office to be sure you get the funds for which you are eligible and to get help with any problems you may be experiencing in trying to finance your college education with the tuition increase. Please contact Financial Aid at:
